Subscriptions:

All subscriptions are for a minimum of six months, with monthly billing provided for your convenience. Your subscription to SureContact, Inc. will renew automatically upon expiration of your current term and will remain active unless and until you notify SureContact, Inc. in writing. At the end of your current contract term (6 or 12-months) your subscription will then roll to a month-to-month contract. Once you've fulfilled your original contract term, should you decide to cancel, you must give SureContact, Inc. written notice by email, mail, or fax of your decision to cancel your subscription, a minimum of 30 days prior to your final issue to avoid cancellation fees (equal to one month's fee).

Set-Up:

A set up fee of \$40.00 covers designing your custom features and creation of your client database. Add or subtract contacts as needed by the monthly deadline date (15th of each month) at no extra charge.

Cancellation Policy:

Your subscription may be cancelled for a \$50 cancellation fee prior to start date or with a fee equal to the lesser of \$125 or remainder of contract if cancellation occurs after start date to cover expenses incurred.

Payment Schedule:

Your first payment covers the first two months. After that, your credit card will automatically be billed the 1st of each month for the following month's newsletter.
